

College of Engineering

MEFE Application

Please return completed form to: Lisa Carter, College of Engineering, University of Canterbury,
Private Bag 4800, Ilam, Christchurch, New Zealand or email Lisa.carter@canterbury.ac.nz

Please indicate your level of interest: Definite Probable Maybe

Applicant's details:

Last name: _____ First name(s): _____

UC student number (if applicable): _____

Phone number: _____ Mobile number: _____

Postal address: _____

Email address: _____

Are you a New Zealand citizen or Permanent Resident? _____

Preferred form of contact (please indicate how you would like to be contacted): Post Phone Email

Previous university / tertiary study:

Qualification(s) completed: _____ Institution(s): _____

*If your qualifications are from an overseas university, you will need to make an ad eundem application through the International Office.
If your New Zealand qualifications are **not** from University of Canterbury, attach a certified copy of your academic transcript(s) to your application.*

Study plans (student to complete):

When would you like to start? _____ 1st/2nd* semester ____ year

**In general students start in the first semester*

Are you a scholarship holder, have you recently applied, or intending on applying for a scholarship? yes / no

If yes, which scholarship? _____

Are you intending to study full-time or part-time? (circle one) full-time / part-time

If you intend to study part-time, please attach a letter outlining your reasons for studying part-time, and any supporting documentation, to this application. If you are enrolling part time due to employment reasons, please supply a letter from your employer. This letter needs to stipulate they support you enrolling in the Masters programme.

Part-time students normally begin their study in the Post-graduate Certificate in Fire Engineering programme and transfer to the MEFE subject to meeting the entry requirements of the MEFE.

Relevant work experience details (if applicable):

Please provide details of any relevant work experience you have undertaken, including years / role(s) / company(s):

If more space is necessary, please attach an outline of work experience to your application.

Part-time students must have at least 4 years professional experience to join the programme. Professional experience includes working as a consulting engineer, working for a building consent authority or similar. The work does not have to be directly related to fire engineering but must have had a technical role or include technical content.

Any courses you intend to take that are not taught by the Department of Civil and Natural Resources Engineering will need to be signed off by the Department teaching the courses. It is not essential you nominate your detailed study plan below but this allows you to think about what courses you wish to complete and when you might be planning to do them.

Postgraduate courses may be subject to change. Please note the courses you wish to study and you will be notified if they will be offered.

Courses (student to complete):

Course code	Occurrence	Departmental approval (signature and stamp)
e.g. ENFE601	e.g. 09S2	
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

It is not essential that you nominate a research topic at this stage but if you have an idea of what topic or area you are interested in then indicate this below or attach a separate sheet.

Research topic / area / supervision: _____

Applications will be processed twice a year. Please submit your application by 01 June or 01 December for February intake in the following year. International students are encouraged to apply by 01 June to avoid delays.

Please attach a 300 word statement of purpose to outline the goals you would like to achieve through the MEFÉ programme. Include how this will help you after graduation and any further relevant information you wish to provide which is not already covered in this application form.

Signature: _____ Date: _____

For Office use only
